Join CNYCSS as we host the Onondaga Historical Association (OHA) to share their site with us.

During COVID, our museum partners have been working hard to develop their sites and are eager to share what they have to offer! Invite your colleagues to join us on Tuesday, May 18, 2021, from 4:30 to 6:00 p.m.

This workshop features a tour of the Onondaga Historical Association Research Center. The OHA will cover the ways teachers and students can take advantage of the OHA Research Center, including how our local history can be a jumping off point for discussing national events or movements. The workshop will also feature highlights from the archival collection.

Don't forget those CTLE hours! They all add up!
